

Nexeo Solutions Expands Partnership with Wanhua Chemical Co., Ltd. into the Northeast & Mid-Atlantic

THE WOODLANDS, Texas, Feb. 07, 2017 – Nexeo Solutions, Inc. (NASDAQ:NXEO) and Wanhua Chemical Co., Ltd. have expanded their partnership to include the Northeast and Mid-Atlantic regions on ADI (Aliphatic Diisocyanates) for durable coatings, adhesives, sealants, elastomers and polyurethane markets. Nexeo Solutions has been successfully representing Wanhua through the Southeast, Midwest and Southwest regions.

Wanhua has established top-quality materials and products and this partnership expansion strengthens Nexeo Solutions' portfolio and enhances their position as a key supplier in this industry. The portfolio includes Wannate® HMDI, Wannate® HDI, Wannate® HT (HDI trimer series), Wannate® HB (HDI biuret series) and Wannate® IPDI.

“We are pleased to expand our relationship with Wanhua, one of our strategic partners for the polyurethane industries. This will enhance our ability to bring quality products and solutions to our Northeast and Mid-Atlantic customers,” according to Joey Gullion, Nexeo Solutions Vice President of Specialty Chemicals.

“Our customers will benefit from Nexeo Solutions' service and logistics excellence and their complete line of urethane offerings,” explained Jon Palmer, Wanhua's Sales Manager - ADI, NAFTA.
